**About the Cover:** *If* has been Satan's weapon of choice to question God's authority. The seeds of doubt and despair have been planted in our lives by that little word *if*. The victory of our Lord in the temptation previews His victory on the cross, where He answered the dare "If you are the Son of God..." with His own death and resurrection. The cover painting is from *Growing in Christ*, CPH's new Sunday School curriculum.

***“Christian stewardship is the free and joyous activity of the child of God and God’s family, the church, in managing all of life and life’s resources for God’s purposes.*”**

The above definition of Christian Stewardship has been used in our church for a few decades. It contains only 29 words, but what a mouthful when you consider the application of the various parts of the definition.

This week consider:

***“Free and joyous”*** Many people do not think of stewardship as being free and joyous but it really can be when we have the calm assurance that our God richly provides all that we need for the support and wants of our body and life.
