

Looking Back...Looking Ahead...Looking Up

Looking Back

I know this is going to be part of the February Newsletter, but since it's the first publication since Christmas I want to take this opportunity to say "THANK YOU" to the many members of Redeemer who took time to send Christmas greetings and gifts to my family and me. Even though we've now been part of the Redeemer Family for more than three years, it is still an adjustment to our new church home and community and schools. Your personal warm wishes mean more than you probably realize. They (you) are truly appreciated.

Looking Ahead

So many changes are taking place all around us that I frequently find myself wondering what the future holds for Redeemer. As the area changes, are we positioned to effectively minister to those who live right here in our neighborhood? Working families ... single-parent families ... quite often struggling families. It would be so easy to stay in our comfort zone and carry out ministries for retirees (usually long time Lutheran retirees, at that!). But I don't find many mandates in Scripture to "go find your comfort zone." Like you, I join our congregational leaders in seeking God's will for our future directions. That brings me to ...

Looking Up

Being a Pastor is, more than anything else, a very humbling experience. I don't think a single week has gone by in my time at Redeemer when I wasn't struck by the realization of how little I know ... how puny my resources and abilities are ... how daunting the challenges are which confront us. Without prayer--and God's gracious providence--I would have been knocked out of the race a long time ago.

But, like St. Paul (cf 2 Corinthians 12), I have been learning again that HIS strength is made perfect in my weakness. He holds the future ... He holds us ... may we always be found turning to, and trusting in, His merciful guidance.

Elders Message

The Board of Elders is charged with significant functions to assist the Pastor aimed at providing a smooth worship service. Recently the Board has introduced a rotation system such that Elders will rotate providing the "Elders Message" in two-month cycles.

My objective is to study a subject, learn by it, and summarize what we can learn. The subject I have chosen is the Holy Spirit.

To begin, when we say the Apostles Creed we say, "in Jesus Christ, his only Son, our Lord who was conceived by the Holy Spirit."

The following excerpts* tell us much more:

1. The Spirit is only interested in speaking to you the things that the Father taught through the Son (John 14:25; Hebrews 1: 1-2), and these things are only found in the Bible.
2. "It is to your advantage," Jesus said, "that I go away; for if I do not go away, the Helper shall not come to you; but if I go, I will send Him to you." (John 16:7). The "Helper" Jesus is talking about is the Holy Spirit.
3. New Christians must be cautious in their eagerness to "experience" the Holy Spirit! Church history shows that eagerness is often diverted by the devil into a variety of dangerous heresies and false teachings.
4. You can avoid deception when you listen to the Holy Spirit as he speaks only through God's Word. **This is the only way the Holy Spirit comes.** The Holy Spirit never comes to us through emotions, feelings or intuition.
5. The Holy Spirit glorifies Jesus. Jesus said: He [the Holy Spirit] shall glorify Me; for He shall take of Mine, and disclose it to you (John 16:14).

You will see more about the Holy Spirit next month. **The Holy Spirit: Tests the Spirits; Reveals Truth; Enables You to See; Intercedes for You; Convicts You of Sin; Brings Eternal Life; Washes Away Your Sin; Helps You to See Jesus, Destroys Sin; And Seals You in the Faith.**

Ladies Guild

The Ladies Guild will meet February 1st at 1:00 A.M. in the Social Hall. The program will be presented by DASH (Domestic Abuse Shelter Home) of Englewood. This home offers shelter for women, children, etc., who are being abused or have been abused. Please plan on attending this very interesting presentation.

The "Bakeless Bake Sale" will be the month of February. Laura Brooks will be passing out envelopes (instructions inside) for your contribution. A box will be the Narthex for deposit of these envelopes. These contributions go toward the purchase of items needed for the church. Some of the proceeds have already been designated for the purchase of a filing cabinet for the church office.

MITES: This is an ongoing collection the first Sunday of each month. Please drop them into the LWML box on the table. If you are in need of a mite box, please pick one up from the table or ask any Guild member.

A real treat was enjoyed by the ladies and men who attended the January meeting presented by the Charlotte County EMT. This was very interesting and those attending received some great materials with regard to medical for home and car.

MARK your calendar for March 25th. Plan on attending the LWML Spring Rally at Faith Lutheran Church in Punta Gorda. More information will be forthcoming.

March 8 — Lenten suppers will begin. Helpers are needed for preparing and serving dinners. If you can help, please call Georgia Lang (474-4963).

Say A Little Prayer

Squirrels had over-run 3 churches in town. After much prayer, the elders of the first church determined that the animals were predestined to be there. Who were they to interfere with God's will? They reasoned. Soon the squirrels multiplied.

The elders of the second church, deciding that they could not harm any of God's creatures, humanely trapped the squirrels and set them free outside of town. Three days later they were back.

It was only the third church that succeeded in keeping the pests away. The elders baptized the squirrels and registered them as members of the church. Now they only see them on Christmas and Easter.

Meeting Dates: January Meeting on the last day--the 31st.

February Meeting on the last day--the 28th.

Greetings! May our Precious Lord be with all of you every minute/every day of 2006! He'll be there, especially if you remember to ask HIM. And even if you do forget...

Rol and I pray that you are all well and rested from the Holidays. It's time to start a new year with at least one NY's resolution. How about it? My only one is to get some form of physical exercise each day. Rol hasn't committed yet. He walks the dog most of the time and figures that's his effort. Speaking of Buck, the dog, he truly enjoyed his visit with Group the last time we met. It was suggested by Brenda of our Group to bring him on a regular basis, as dogs make for positive therapy/encouraging interaction among friends. We'll discuss this at our next meeting.

Were you all able to get your flu shots? If not, continue to try. My oncologist made mine possible, but Rol couldn't get one there; however, he was at the right place at the right time and managed to get one elsewhere.

We received a lovely note from Evelyn Stieve which we shall share with Group the last of this month. In sum, she misses you all, her church and the warm weather. We miss her so very much. A very astute, Biblical Christian lady.

See you all on the 31st.

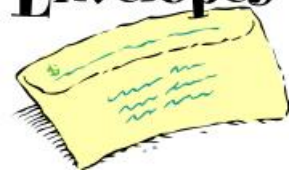

Blessings in His Holy Name,
Shay and Roland Thurow

Crop Walk

What exactly does that mean and what is it?

The word CROP stands for Christian Rural overseas Program. Church World Service is the organization that sponsors the CROP Walk. Each year local churches get together and walk to raise money to alleviate hunger and poverty, helping our sisters and brothers in more than 80 countries, including the United States.

CROP walkers help more than 3,200 local food pantries, food banks and meal sites in the United States to provide food to neighbors in need. Up to 25% of what your CROP walk raises can assist food banks, pantries, community gardens and other hunger-fighting programs in your own cities and towns.

How can you help. There are two ways: you can be a walker and enlist family and friends to sponsor your effort or you can sponsor other walkers. This is a joint effort and we need everyone's

help. So please prayerfully consider signing up to be a walker or a sponsor. Just look for the sign-up table in the Narthex during the month of February.

See you at Community Presbyterian Church on Saturday, February 25, 2006 at 8:30 a.m.!

Make us worthy, Lord, to serve others throughout the world, who live and die in poverty and hunger. Give them, through our hands and feet, this day their daily bread, and our understanding and love.

In Christ holy name.

Amen

Stephen Ministry

Stephen Ministry has had two retreats since the last newsletter which means that we have a double session, 9:00am to 2:30pm. This will enable us to finish classes earlier than expected and begin our ministry. The classes we have completed were Distinctively Christian Caring (retreat), Process Versus Results in Caregiving and Assertiveness: Relating Gently and Firmly (retreat).

One of the lessons learned was that most of us don't tell people how much we appreciate them. We all figure they know they're appreciated. With assertive training we learned that is being non-assertive. People do need to hear us tell them when they have done a good job and how much we appreciate them. Each of us needs to hear compliments and affirmations. At our next class each person will hear from the other nine in the class individual thank you's, appreciations or some affirmation. We have been with each other for 6 weeks and have learned each other's attributes. Staying close to Jesus brings out our love for each other and love has certainly evolved in the Stephen Ministry classes.

To be Christian means to follow Jesus, to emulate him, to grow to be more and more like him. We have clearly read and heard that Jesus was 100% assertive; therefore, assertiveness is Christian. Please pray that the Stephen Ministers will grow, with the help of the Holy Spirit, in their assertiveness to use in their life situations.

LOVE IS AN ACTION!

Love is about doing for others. For this Valentine's Day (or any other time of the year), create a coupon book that helps you serve others with love.

Here is what you need:

■ index cards or colored paper (as many as you need)

■ stickers (optional)

■ colored markers or crayons

Here is what you do:

1. Think of the different people you can show love to. For example, parents, brothers, sisters, friends, neighbors, teachers, grandparents, etc.
2. Make a list of different things (acts of love) you can do for these people to show them you love them.
3. On each index card or colored paper, write these words:

This coupon is good for:

With love,
[Sign your name]

4. Write one "act of love" on each coupon's blank line.
5. Decorate each coupon with drawings, designs or stickers.
6. You can give people one coupon each or staple a few together into a coupon book to give to each person.

Child Care

Our annual Children's Christmas program was held on the 1st Wednesday night Advent Service this year— 250 adults and children attended that included some church members. It was a fantastic service! Make sure if you didn't attend this year to make a point to attend next year.

We are in our 2nd stage of our grant request with the Gulf coast Foundation of Venice. Our official grant was delivered to them on Jan. 12, 2006. Hopefully they will find in our favor to help fund an outdoor activity center which will enhance our child care program. The foundation will be sending representatives out the end of January to look over our current facility.

Special thanks goes to the following Thrivent members for their contributions to the Redeemer Lutheran Child Care thru the Thrivent Giving Plus Program Challenge. In addition to the matching funds of \$1,350, a check was received for \$419.

President's Corner

As members of your church council we want to ask you for your prayers and support.

Our congregation has been richly blessed in so many ways. It is our duty to utilize these resources wisely so that we reach as many people as possible with the good news that they too can be counted among the Redeemed.

Our Lord gave us a commandment to go and tell. He also said the harvest was great. The church is here to fortify us and prepare us for that work. We are not a member of this congregation by accident. We are here because we are a part of the body. As St. Paul wrote each part is important. No part is more important than any other part. But each part has a function. We all have been blessed with certain spiritual gifts. We are to use these gifts.

No where is it written in the Bible that you are excused because of age, you've done it before, you've been there and done that, in fact, it appears that if your taking nourishment, are vertical and your body is above normal room temperature you are wanted and are needed. In fact, when your body assumes room temperature it usually has one more opportunity to be used in the telling of God's love.

From time to time there are going to be opportunities to be of service. Please say yes when these opportunities present themselves. Right now we need a treasurer and someone to work with our youth. Please do an inventory of your spiritual blessings and ask the Holy Spirit to guide you.

None of us have all the answers but collectively we sure have a lot of knowledge and experience. Should you have any suggestion that would make us more effective please let them be known.

Spaghetti Supper, February 14

Car Wash, March 18

Please watch the bulletin for further details. Tickets for the Spaghetti Supper will be available in February for a donation. Thank you for your continued support of Redeemer Lutheran youth!

Thrivent

Thank you to all who support our annual rummage sale! With your help, we have been able to raise over \$2300 that we then donate to various needs in our church and community. In 2005 we gave \$2000+ to Stephen Ministry at Redeemer to help with training expenses. We also matched a door offering, raising \$725 total to help with training materials. The rest of our matching funds were given to the Ladies Guild and the Youth.

In 2005 we served chili at the Ash Wednesday Lenten Supper. We provided a light meal after Confirmation questioning and also provided a cake for Confirmation Sunday. We gave pewter crosses to the confirmands. We also gave out baptismal shells to those who were baptized, as well as a cross to children who were baptized. We served a sit-down chicken dinner to the carolers in December and covered the costs for a bus driver, towing of our bus, and a donation to EUMC for use of their bus. We gave out 15 Christmas gift bags to children at the 7 PM Christmas Eve service.

In 2005 we gave love gifts to FISH of Englewood and Englewood Helping Hands.

Through requests from our church to the Charlotte County Chapter of Thrivent Financial for Lutherans, we were able to secure \$1600 for the Police Athletic League, \$1400 for the Messiah Migrant Ministry Angel Tree project, and \$600 for the Little Cherub Christmas project at our Child Care.

Thank you for your continued support of Thrivent and our activities!

Ha Ha! Corner

Did You Hear This One?

If you know the Bible even a little, you'll find this hilarious! It comes from a Catholic elementary school test. Kids were asked questions about the old and new testaments. The following statements about the Bible were written by children. Pay special attention to the wording and spelling. They have not been retouched or corrected (other than capitalizing the word, "Bible.")

- The first book of the Bible, Guinness. God got tired of creating the world so he took the Sabbath off.
- Adam and Eve were created from an apple tree. Noah's wife was Joan of Ark. Noah built and ark and the animals came on in pears.
- Lots wife was a pillar of salt during the day, but was a ball of fire during the night.
- Sampson was a strongman who let himself be led astray by a Jezebel like Delilah.
- Samson slayed the Philistines with the axe of the apostles.

- Moses led the Jews to the Red Sea where they made unleavened bread which is bread without any ingredients.

According to St. Matthew's account of the Transfiguration, when Jesus was with two Old Testament characters appeared and seemed to be talking with him, one represented the Law; the other represented the Prophets. Who were they? Who appeared to Jesus?

- The Egyptians were all drowned in the desert. Afterwards, Moses went up to Mount Cyamide to get the ten commandments.

A. Abraham and David C. Nathan and Ezekiel
B. Moses and Elijah D. Elijah and David
The answer can be found in Matthew 17:3.

- The first commandment was when Eve told Adam to eat the apple.
- Moses died before he ever reached Canada. Then Joshua led the Hebrews in the battle of Geritol.
- The greatest miricle in the Bible is when Joshua told his son to stand still and he obeyed him.
- David was a Hebrew king who was skilled at playing the liar. He fought the Finkelsteins, a race of people who lived in biblical times.
- Solomon, one of Davids Sons, had 300 wives and 700 porcupines.
- Jesus enunciated the golden rule, which says to do unto others before they do one to you. He also explained a man doth not live by sweat alone.
- It was a miricle when Jesus rose from the dead and managed to get the tombstone off the
